School Topper in HighSchool with 94.2%

PROJECTS

MovieFlix </> •LIVE

Currently the work on the project is in progress. working to make it a functional useful website for searching best movies to watch , might be better than imdb.

Whatsup </>

It is work in progress. Making a Full Stack Mern App. with custom Auth and many more . Trailer: [Click here](#)

ReactChat </> •LIVE

I have made the react chat room for using the realtime database implementation using firebase.

Deployment link is provided in the github repo.

GitHub Profile Search </> •LIVE

This a website made to take the online assessment of students

ToDoList </> •LIVE

Made a responsive ToDoList Website using Basic HTML, CSS, JS
